## Dispensary Services

Please join us in welcoming Bianca who has taken on the role of Dispensary Manager at the Silverstone Surgery from 1st June 2023.

The dispensary located at Silverstone Surgery is able to dispense medication for patients who live more than 1 mile radius from the nearest pharmacy. This means that the dispensary is available for all our Silverstone patients and patients from the surrounding area but not those who live in Towcester.

## Medication Delivery Service

A delivery service is available for those patients who are house bound and receive their medication from the dispensary.

## Ordering Repeat Medication

Repeat medication can be ordered by

- Completing and returning the printed slip to Silverstone Surgery.
- Completing a repeat medication request form at Silverstone Surgery.
- Requesting repeat medication through the NHS Smartphone Application — this requires pre-registration at the Surgery
- Complete the online request through SystemOnline — this is linked from the front page of our website and requires pre-registration at the Surgery.
